Index no. : 07 CV 2683 (BSJ) (AJP) documents submitted on November 20, 2007 and
Stipulation and Protective Order of copies of medical records and information

Dear Honorable Peck:

Enclosed please find another copy of the documents that I submitted to the Court at the November 20, 2007 conference, with respect to the reconsideration of your Honor temporarily staying all proceedings in this matter until January 2008, which was denied. While I note that the Court acknowledged receipt during the conference of all of the documents that I submitted, I note that even though we discussed the latest Worker Compensation Report from Dr. Irene Grant of September 2007, I do not recall that the Court acknowledged receipt of such. Therefore, I am forwarding another copy of the September 2007 medical report of Dr. Irene Grant. Note, the last page is signed by me.

MEMO ENDORSED 11/27/07

The Court will not withdraw from its
prior ruling on documents
except working documents, medical
records, Power of Attorney, other
relevant documents, but by a court
order in case.

SO ORDERED:

Hon. Andrew Jay Peck
United States Magistrate Judge

Re: Jane Best-Simpson v. New York Organ Donor Network, ET. AL.
Index no. : 07 CV 2683 (BSJ) - Documents submitted on November 20, 2007 and
Stipulation and Protective Order of copies of medical records and information

While defendants counsel during the November 20, 2007 Court Conference, in general agreed to respect the fact that my medical records are privileged information and shall not be disclosed, etc., since I have already unfortunately suffered severe and pervasive violations of my medical privacy by defendants, as noted in my verified complaint; I am turning over the medical documents to the defendants in good faith, provided that all defendants counsel now sign the attached Stipulation and Protective order that I have prepared for the Court.

Further, I am now requesting that all of the medical information I made reference to in the Complaint or any Court documents thus far submitted to the Court, be removed from any records that are or will be made available for public inspection or retrieval.

I would ask that both counsels send me a copy of their signature of this document by e-mail or certified mail for my records.

I would also ask that the Court, kindly advise this plaintiff in writing, what is required of me to do in order to have all previous documents where my medical records/ information is mentioned or discussed "Protected" pursuant to this stipulation and Protective Order. If this Court wishes for me to submit a copy of those documents previously submitted with the information "blacked out" to the *Pro Se Office*, for public use or retrieval, I will do so by instructions of the Court.

Thank you in advance for your consideration in this matter.
